Comments:

I am born and raised Alaskan and ride the CNF a fair amount each winter, it is something and one of the only things to do in the winter to be able to enjoy and explore areas you normally wouldn't get to see or experience in the summer time and snowmobiles allow you a type of freedom that cannot be described only experienced, don't take our past times away! I am for allowing snowmobiles to be in all the areas they are already allowed in plus some new areas!
