Nellie Juan -- College Fiord WSA

Good day,

I email to support the continuation of a fully intact the Nellie Juan -- College Fiord Wilderness Study Area (Alternative D), and the Dangerous Passage and Knight Island additions. We love to recreate in these places, and that is due in large part to their wild nature. In a world where such experiences are shrinking, including in the marine environment, it also makes sense from an economic perspective to keep these places intact and wild, as doing so can help support a diversified economic future for Alaska, much like ANILCA lands have done for Seward.

Thank you,

Peter Van Tuyn
