Public comment link on DEIS for Sage-Grouse not working

I'm the producer/host of a community affairs show in Salt Lake City, Utah. We'll be talking about the DEIS for Sage-Grouse and public comment period that started 10/5/18. When I click on the link on your webpage, it does not work. The link on the error page to report the problem also does not work.

I have three questions:

1. How long has it been down
2. When will it be fixed
3. Will extra days be added to the 90-day comment period as a result
