Comments:

the plan should have:

no hunting

no trapping

no burning up of the trees to pollute the air and cause lung cancer and heart attacks

no chemical treatments

no new roads

shut down some roads

no logging

no grazing

we want open space for animals and trees. their extinction rate is 60% for last ten years. this agency is all about oneygrubbing fortheir picked out stakeholder pals. the restul of us are being stolen from in our national sites. 328 million ameicans paid for this site. it does not belong to localities orstates. it belongs to all of us. and you are not representing us at all in the usfs. this cmoment is for the pubilc record. please receipt. jean publee
