Comments:

I strongly support Wilderness designation for the areas the revision recommends, including North and South Lemhi, Burnt Creek, S Cabin Creek Peak, North Slope Pioneers, Spud Cr, Stein Mtn, Borah Plus, Cooper Basin, and W Fork Morgan Plus.

I urge you to increase the list by adding other qualifying roadless areas, such as the Allan Mountains Roadless Area and South White Knob Mountains Roadless area.

Wilderness lands are precious and rare; they will be lost forever as the human population and resource exploitation continue to expand unless the US Forest Service works diligently to protect these lands, and makes full use of The Wilderness Act.
