Address2:

City: Spokane

State: WA

Province/Region: WA

Zip/Postal Code:

Country: United States

Email: yarddoctor@yahoo.com

Phone: 5093094049

Comments:

King mountain and surrounding area has been a great spot for our activities. You should not take that away. Closing roads is not acceptable. Saving land for wildlife ok but leave the road open for all to use. Blocking us out is not the answer nor is prohibiting us from launching into open unregulated airspace.
