To whom it may concern,

Wilderness areas are awesome, I really like wilderness areas and support having wilderness in our country. I grew up just below the Lone Peak Wilderness Area near Salt Lake City and it was great to have somewhere to go to get away. Unfortunately paragliding is not allowed in wilderness areas even though we have very little impact. Please leave access for paragliding out of the wilderness proposal so that we can continue to enjoy flying at King Mountain. Thank you for your consideration with this matter and helping to preserve access for flying.

Best Regards, Jonathan Jefferies
