Comments:

This mountain was one of the most beautiful places I have ever seen, and it was an incredible experience to fly from there and experience the beauty of Idaho from the sky. It is one of the most unique and rare flying sites of its kind and it would be an absolute horror to see it go away. The access roads needed to launch from the top are crucial. There are only a few places in the world where the geography allow such great conditions for hang gliding and paragliding
