Comments:

During my 38yrs of Hanggliding flying at King Mountain Idaho was a truly memorable event. Each year many come from out of state to experience this wonderful flying site. I would hate to think that something is in the works to shutdown, make unavailable this outstanding location. Please consider the impact on those currently using this venue and those future participants. Please keep it unabated and useable for this sport. We have lost too many quality recreational outlets. The joy this place brought me needs to be shared.

Thanks
