Comments:

I want to emphasize the value of King Mountain as a flying site for hang gliders and paragliders. This includes road access to King Mountain launch and the airspace above the surrounding areas, including the Lost River and the Lemhi Range.

I am a Habg glider pilot which respect nature, the roads, and I know the importance of leaving no trace. Anytime I am in the area my family, friends and I get in the task of picking up any trash left by others. Not only on the side but anywhere in the area.

Please keep these sites open.

Thank you.
