Comments:

Paragliding and Hang Gliding is a low impact, beautiful sport that is visually exciting to spectators, and therefore a value to the area. Not to mention the quiet, adventurous pleasure pilots get out of the sport.

The value of King Mountain as a flying site for hang gliders and paragliders cannot be overemphasized. Pilots need the road access to King Mountain launch and the airspace above the surrounding areas, including the Lost River and the Lemhi Range.

Thank you for considering keeping the space open to free fliers!
