Comments:

These areas are home to some of the best motorcycle singletrack trail in the country! There are many off road riders who care deeply about the state of these lands and can make excellent volunteer stewards when allowed to do so. Please do not restrict access to OHV and OHM riders. Further closures tend to concentrate activity in the remaining open areas, which cannot be ideal for recreational users or wildlife. Recreational use is one of the most important aspects of public lands. Please keep them open!
