Comments:

Please do not remove any ohv access to this area. I realize I am not a state resident but I am a US citizen with direct interest in this plan. Please enforce current motor vehicle restrictions as currently exist to prevent unauthorized vehicles (mostly UTVs over 50" on at trails) from entering areas they shouldn't be. I recommend using bridges that restrict larger vehicles. Enforcing the current forest plan more closely will result in natural improvements without undue restrictions.

Thanks,

Travis
