Comments:

I am in support of strengthening provisions in Alternative D by setting strong standards rather than weak guidelines to achieve the "desired condition" of viable, self-sustaining herds of wild buffalo on the National Forest. Slaughtering these animals year after year is wrong. They are harassed and are being destroyed by falsehoods of disease. The cattle lobbyists want nothing more than to destroy these animals...Wrong, just wrong. Make a difference and for a change, do the right thing!!!! STOP SLAUGHTERING BUFFALO. Have contacted legislators, governor, etc.
