Comments:

To whom it may concern. I live in MN but come to ride snowmobiles 4 or 5 times per winter with my son who is a resident of Bozeman. We ride either Taylors Fork or Buck Creek and I would like to see NO changes in current access to these areas in the new Forest Plan. The parking lot even during the week is always packed and this area provides wonderful terrain with easy access from Big Sky and Bozeman. Even with this great access you rarely see other riders in the backcountry.

We do not need anymore Wilderness Area designations in this area. According to your own numbers over 30% of the whole forest is already designated as Wilderness.

Thanks,

Jim Gagne
