Comments:

EVERYTHING YOU DO should PROTECT THE INTEGRITY AND SUSTAINABILITY of ecosystems.

For the Gallatin Range, I SUPPORT WILDERNESS, especially the recommendations in Alternative D of the Revised Draft Forest Plan.

I urge you to IMPROVE THOSE RECOMMENDATIONS by adding the entire 230,000 wild, roadless acres of the Gallatin Range as Recommend Wilderness in the final forest plan.

PROHIBIT ALL motorized and mechanized uses.

PROHIBIT ALL other activities not consistent with wilderness protection.

ENCOURAGE CONGRESS to strengthen wilderness protections.

RESPECT AND PROTECT the Absaroka-Beartooth and Lee Metcalf Wildernesses from any and all abuses.

I implore you -- in everything you do -- to respect and protect the integrity and sustainability of our natural world.
