Comments:

I believe we currently have sufficient wilderness area set aside. I am a avid snowmobiler, and represent 18,000 followers of my Facebook page(Rocky Mountain Sled Conditions). I am from Colorado, and do frequent some of the areas being discussed. When I make a trip to these areas, I get a motel, buy fuel, buy appropriate registrations, buy food/dining, possibly parts for my sled, and other miscellaneous items. I believe snowmobiling and other motorized activities is good for the economy! I also believe in preserving out public lands, this is done by respect for the land, not new laws or restrictions on use. I support 2.5.3 Alternative A - No Action (the Current Plans). Thank you
