Dear Sir,

The Crazies. The wilderness is a home for those whose hearts and minds live in the wild. . . not humans but the vast variety of God's creatures given to us to marvel and cherish His wondrous deeds. We humans enjoy those places that are habitable and God invites us to cultivate those lands for our benefit. Yet, we are expected and it is our obligation to steward his wild lands and His creatures for future generations. It takes little financial and physical effort to exploit and destroy the wilderness for our immediate gain. Yet, it takes decades and centuries to repair that destruction. But for wildlife, these creature know of no other home. Destruction is finality for many species.

Therefore it is our duty and obligation to steward the Earth. God gave us an intellect and we are duty bound to use it.

Let's protect the Crazies, Lost Water, Big Pryor, Punch Bowl and Bear Canyon. Let us maintain the boundaries of the current recommended Wilderness in the Lionhead. Let us retain areas currently recommended for Wilderness in the Absaroka Beartooth area, and additionally recommend Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek.

Let us manage the Tongue River Breaks, King Mountain, and Cook Mountain in the Ashland district as recommended Wilderness

Let the wilderness be wilderness by allowing only foot and horse travel in recommended Wilderness and not allowing any mechanized or motorized use.
