Comments:

The Montana Bicycle Guild, Inc. (MBG) is a Helena based mountain biking non profit corporation. The MBG supports those comments submitted by the Southwest Montana Mountain Bike Association and hereby incorporates those same comments by reference as though fully restated herein. In doing so, the MBG reiterates its support for: (1) the terms and conditions of the Gallatin Forest Partnership Agreement; (2) that continued bicycle access to the Lionhead should remain in place and that the USFS should manage this area as described in Alternative E; and (3) that the USFS should continue to manage recommended wilderness areas to allow the continued use of bicycles.
