Subject: The Crazyies

Ms. Mary Ericson,

I'd like to add my voice to the movement to protect the Crazyies from potential development, Please include in your evolving Forest Plan that no new roads be built into that pristine country. By whatever means: Wilderness Study Area or out-and-out proscription.

I grew up south of Big Timber and spent a fair portion of my time exploring those mountains. They remain special in my heart and I can only imagine what they mean to the Crow Tribe.

Thanks for your consideration,

Bill Rule
