revision to Pryor Mountain

To Whom it concerns,

Please do not change the current designation of the Pryor Mountain area from type A. I am a rockhound and enjoy going to the area for recreational rock collecting. I am a retired individual in my 60's and it would be impossible for me to carry on my hobby of 30 yrs if the area has a changed designation. I understand the designation is under consideration to change to B,C, or D. Please do NOT change.

Sincerely,

Deborah MacDowall
