this plan is an assault on the forest health.this plan is all about logging andthinning, which is an assault on a forest and allt he birds and wildlie that live on that forest site.

it is time to stop assaulting forests. the following shudl take placeonall forests:

- 1.nohunting or trapping
2. no new roads
3. no new trails
4. no logging or thinning
- 5.no burning up the site
6. no chemical applications
- 7.no grazing.

the assault thatthe forestmanagement makes on our forest are nothign butdeplorable and vicious to the health of the forest.they are not good actons for the forest preservation at all. THIS AGENCY SPECIALIZES IN ATTACKING FORESTS FOR MONEY FROM LOGGING THE TREES. AND PUTTING IN TREES THAT ARE LUMBER YARD TREES AND NOT NATURE. THIS FOREST AGENCY IS A HORROR FROM AN ENVIRONMENTAL STANDPOINT. NO WAY SHOULD ANYONE WITH A HEART OR BRAIN GO FORTHIS HORRIBLE PLAN THAT THIS AGECEY HAS COME UP WITH.THIS COMMENT IS FOR HTE PUBLIC RECORD. PLEASE RECEIPT.
