

Date submitted (Alaskan Standard Time): 10/18/2019 12:00:00 AM

First name: doug

Last name: scheel

Organization:

Title:

Comments:

The Federal government has done enough to destroy our land, kill the animals on that land, and completely disregard the people who live there. Be bold stop this cycle of destruction. Do not develop the roadless forests in Alaska.

Do not destroy the wilderness in Alaska with roads that are not needed and server on large corporations. NO TO BUILDING ROADS.
