

Date submitted (Alaskan Standard Time): 10/17/2019 12:00:00 AM

First name: molly

Last name: mount

Organization:

Title:

Comments:

Why in the world are you guys hell bent on destroying our future?

Wilderness should be preserved and protected.

The only reason you're doing this is is GREED.

Try to show that you have some vision. Vision past the next 4 years and the money your friends will be making.

This attack on our public lands is unnecessary and uncalled for.

Stop it.
