First name: Gordon

Last name: Chew

Organization: Tenakee Loggin Co. (TLC)

Title: Owner

Comments:

Saving the Tongass and the salmon it provides should be your highest priority: we only support a "No Action" alternative to any change to the existing roadless rule.

Catering to mining and timber interests does not take into account the Tourism or Fishing industries which depend upon our remaining intact watersheds. Common sense is needed here to support these much larger industries over the diminished timber extraction models that are unsustainable.

Thanks you
