First name: David

Last name: Cruz

Organization: CRUZ CONSTRUCTION, INC.

Title:

Comments:

The State of Alaska's economy relies heavily on resource development, including timber, mining, and energy development. Because a significant portion of the Tongass National Forest is already heavily restricted from development activities, Cruz Construction, Inc. is in full support of the USDA's Alternative 6 to the USDA Roadless Rule to allow better access for resource development.

Re: Alternative 6 - Full Exemption to the USDA Roadless Rule

To Whom It May Concern:

The State of Alaska's economy relies heavily on resource development, including timber, mining, and energy development. Because a significant portion of the Tongass National Forest is already heavily restricted from development activities, Cruz Construction, Inc. is in full support of the USDA's Alternative 6 to the USDA Roadless Rule to allow better access for resource development.
