Title:

Comments:

Revision of laws protecting old growth Alaskan forests particularly the Tonga's.

Sent from my iPad. Must we despoil these irreplaceable gems of natural beauty. Nothing argues for it but short term profit. We will be judged by history as ignorant barbarians and pallbearers for nature if this is allowed to happen. I beg you to reconsider! "All living things were not made for man." Alfred Russel Wallace, noted naturalist. Do the right thing! Thank you for your time.
