Alaska Roadless Rulemaking #54511

Roadless Rulemaking,

RE: Alaska Roadless DEIS Comment

Dear Secretary Perdue:

I am writing to support the No-Action Alternative for the Draft Environmental Impact Statement on the proposed Alaska Roadless Rule, Alternative #1. I support keeping the current Roadless Rule protections in place and intact for the Tongass National Forest.

Please think of our children and our children's children. This is not a matter to be toyed with especially considering how climate change is affecting us today

In addition, I strongly object to your plans to reduce and remove protections from our national forest's roadless areas.

Thank you for your attention and action,

Frank Zwolinski
