Alaska Roadless Rulemaking #54511

Roadless Rulemaking,

RE: Alaska Roadless DEIS Comment

Dear Secretary Perdue:

I am writing to support the No-Action Alternative for the Draft Environmental Impact Statement on the proposed Alaska Roadless Rule, Alternative #1.

At a time when climate change threatens our livelihoods, the last thing we need to be doing is destroying valuable carbon sinks, displacing wildlife and reducing the resilience of these climate refuges.

There are plenty of other places we can get the wood required to satisfy our domestic needs. Leave the old-growth untouched!
