Alaska Roadless Rulemaking #54511

Roadless Rulemaking,

RE: Alaska Roadless DEIS Comment

Dear Secretary Perdue:

I am writing to support the No-Action Alternative for the Draft Environmental Impact Statement on the proposed Alaska Roadless Rule, Alternative #1. I support keeping the current Roadless Rule protections in place and intact for the Tongass National Forest.

In addition, I strongly object to your plans to reduce and remove protections from our national forest's roadless areas. The Roadless Rule is one of the smartest and most popular land management policies the Federal Government has ever adopted.

Don't hand over our national treasure to private businesses. That kind of government corruption has no place in America. Once the Tongass is gone, it's gone forever.
