HC1025

Dear Secretary Perdue,

it is important to me that the 2001 Roadless Rule remain in place on the Tongass National Forest. A no-action alternative is the best option for Southeast Alaska.

Prioritizing one antiquated industry over private sectors is bad business, and bad for Southeast Alaska. I support the Tongass Transition and I would like the Forest Service to continue phasing out old growth clearcutting. Please prioritize conservation of the T77 and TNC conservation priority areas in any new Alaska Roadless Rule. This forest is a salmon forest, and the Forest Service should focus on restoring degraded watersheds and fish streams.
