Jake and Bull Mountain Trails near Dahlonega (hike, bike, horse) are such an amazing treasure for the North Georgia mountains. I've lived in the Atlanta area for 24 years and I've enjoyed going to these trails ever since I came to Georgia. Many volunteers have worked long hours to build and maintain these great trails, which has drawn thousands of visitors to the area. I've lead group mountain bike rides, done numerous mountain bike races and lots of hiking and running on these trails. All of us that use these great trails love them, so please keep them as-is.
