Bull Mtn Trail System

Stephanie,

Jake and Bull are my favorite places to ride in the state of GA. I live about an hour away and I ride there about once a month in the fall and winter. Two times a month in the spring and summer.

I absolutely enjoy the beauty and scenery, there is a special look that you don't see other N GA mountains.

Sunday I rode there and did ride Jake, Bull, and Jones Creek. Yes it was a big ride.

Please don't alter and ruin my favorite place.
