Title: Assistant Director for Adventure & TEAM

Comments:

To whom it may concern,

ON behalf of the James Madison University Recreation Adventure program I voice our support for the Tillman-Trails connectivity project. As a program we seek to advance healthy lifestyles for JMU students. Mountain biking is an excellent means to achieve this goal. A challenge for us is that many trails are too difficult for beginner riders. This project would be an excellent step towards meeting this need. Thank you for considering this. Guy deBrun
