I am opposed to the Grand Targhee Ski Area expansion plan. My family has skied there every winter since 1976. In the beginning Grand Targhee was established by pioneer farmers! It is a perfect family ski area and is barely affordable now. Expanding to 1200 additional acres as well as two restaurants on top and 5 more lifts has to mean day pass ticket prices doubling or more in line with Sun Valley or Jackson Hole. Is that what Teton County wants and needs? I don't think it's our responsibility to create jobs for residents of Teton County. I have moved three different times to reside where I needed to live for work. I also believe this expansion will have a negative effect on the environmental impact of the Valley in terms of dark sky, wildlife, and water. Please reconsider this expansion.
