

Date submitted (UTC-11): 10/8/2020 5:50:00 AM

First name: Coral

Last name: Taylor

Organization:

Title:

Comments:

Please consider prohibiting additional development in this area, as it would have detrimental impacts to the surrounding environment, as well as local infrastructure. With the increasing impacts of climate change, it is up to leaders and decision makers, such as yourselves, to take a strong stance in protecting our carbon sequestering and fabulous wild places.

Thank you for your time and consideration,
Coral R. Taylor, P.E.
