I have been an avid skier for most of my life. I am now 74 and I still ski. Over the years I have enjoyed Grand Targhee. I remember so many smiles of other skiers too.

Ski resorts should be allowed to grow. The proposed expansion of Grand Targhee makes plenty of sense to me. This area has long been used for recreation and will continue to be used for many years to come. Of the total area of Caribou-Targhee N. F. I'll bet the lands area is less than a fraction of a percent of the total.

it makes sense to ski here and let the resort grow.
