I am totally against the Mountain Coaster Project. I am in the Sandias, mainly the eastside, every weekend for hiking and xc-skiing or snowshoeing in the winter. I respect our natural beauty and quiet there so I do NOT want to have a commercialized, NOISY coaster put on our beloved mountain. Not only do I value the beauty and peaceful quiet there, I am concerned about the negative effect on our wildlife and birds. Please consider this and count my vote for NO to this project.

Thanks very much for your consideration.
