I hope that funding becomes available for USFS projects in the Southeast Region.

As a resident of north Georgia and frequent visitor to Chatt. National Forest I vote for funding for the 5 projects out of 15 listed for GA.

1. 40GAOA. Southern Region Wilderness trail Projects: clear trails in Cohuttas Wilderness.
2. REC 080302-22-01. Brasstown Bald Visitor Center Project.
3. 0803 FSR 70. Tallulah River Bridge #3 Replacement.
4. REC 080302-22-01. Aska Mountain Bike Trail System Improvements.
5. REC 080302-22-01. Anna Ruby Falls Visitor Center Project.
