Hello, I'm a Volunteer Train Maintainer for the Carolina Mountain Club. Our Club maintains the AT over Max Patch. Max Patch is in horrible condition from overuse. It has become a dump from inconsiderate campers and college kids who like to party on the weekends. Beer bottles and cans, human waste, trash and cheap tents that campers just leave on the site. Parking is a nightmare. Max Patch is a very busy and heavily used location. I'm surprised that I see other projects on the list to repair and maintain but nothing for Max Patch ! This section needs to be a PRIORITY or it will be destroyed permanently !

Thanks,

Michael
