I am shocked that Max Patch has not been included for parking and toilet upgrade funding. The fact that Max Patch is being 'loved to death' is indisputable. Having worked as a trail maintainer with the Carolina Mountain Club over the last twenty years I have witnessed the dramatic increase in use of Max Patch well as the lack of funding for minimal improvements. If safety and health are of any concern to our Forest Service it seems that budgeting for LONG needed improvements to Max Patch for parking and toilet facilities would not be overlooked.
