Comments:

Max Patch in Hot Springs NC is a very heavily used hiking area. I go there often and it is always heavily used. I visited there in October 2020 and I found that there is not enough parking and no restroom facilities at all. The entire bald was overrun with visitors and many were there as part of a wedding party with coolers, photographers and all. I saw at least 10 brides at Max Patch that day. I am glad it is getting use.

Please know that Max Patch needs and deserves upgrades.

Thank you;
