AK,

I am assisting with the WO Webmaster inbox and we got this request for guidance sent to us, see below.
Could you advise or pass this onto an area expert?

Thank you.

Message

Good morning,
I hope this message finds you well. I just caught the OnPoint NPR episode about the Tongass and Trumps overturning to now allow logging in the forest.
My heart is aching. Is there ANYTHING I can do to prevent this from happening? There is strength in numbers. Can you tell me what was overturned so that I have more information about what's happening so that I can raise awareness in my community in Upstate NY. I want to help.

Stay well,
Hayley
