

## **Blackwater Project Development: Closeout**

### **Closeout Questions:**

- What is the best way to engage your community (including the best way to share information and keep people informed about the process)?
  
- What are your expectations (what do you expect from the Forest Service, what can we expect from you)?
  
- Who is not here that should be?

Please hand-in at the end of the meeting or return to:
