

Blackwater Project Development: Riparian Forest Table

Group Question: What do you value about riparian forests in this watershed?

(This could be value for an activity you conduct in the area, a resource it provides, or any other value you place on the watershed.)

Please provide a list of your personal values and share with the group for posting on the flip chart if you like.

Personal follow-up questions: Please answer the following now and hand-in before you leave or take with you and return to the Forest Service at a later time.

- How do you rate the riparian forests in this watershed?

Poor Fair Good Other _____

Why?

- Do you feel the riparian forests are better/worse/same as they were in the past?

Better Worse Same

Why?

- How do you experience the watershed today? How will that change in the next 20 years?

Please hand-in at the end of the meeting or return to:
